The Salt Lake City Mosquito Abatement District (SLCMAD) is a local governmental entity serving the citizens of Salt Lake City. Our mission is the enhancement of health and quality of life through the suppression of mosquito transmitted diseases and the reduction of annoyance levels caused by mosquitoes. Current operational budget stands around \$4 million. We are seeking a highly motivated individual to assist the District in fulfilling our mission.

Responsibilities: Assists the District in conducting day-to-day operations; performs routine inspections, service, maintenance, and repairs of District facilities including buildings and grounds; assists in maintenance and repair of District vehicles and equipment; assists in inspection and control activities of mosquitoes as needed, including operating heavy equipment and other machinery
This position is a full-time employee hired on a salaried basis.

Required skills and abilities: Minimum of five years of full-time experience in general maintenance, servicing, and repairs of facilities; minimum of two years of full-time experience in the general maintenance, service, and repair of vehicles and equipment; demonstrated ability to take initiative and to supervise the work of others; capability to effectively and cooperatively work with superiors, colleagues, academics, and the general public; general computer skills and understanding of databases; must have a valid driver's license and meet all aspects of the District's job description (available upon request) for this position.

Beneficial Skills: Must have a thorough knowledge of the scope and subject of mosquito surveillance/control, as related to Integrated Mosquito Management. Previous experience in mosquito control and/or working experience in a related field; general knowledge of vector ecology, mosquito biology, and pesticide applications/calibrations. Technical/mechanical training a bonus.

Benefits: Annual salary range \$40,000 to \$65,000 commensurate with experience; family health and dental insurance; state retirement; 401(k) plan; generous Vacation/Sick leave.

Contact: Please contact Ary Faraji (ary@slcmad.org) for further information and application packet.
